Only one USB session will apply per participant for claimable clock hour credits.... as each session is a repeat of previous sessions.....

Deadline for first CMP Acceptance to write in July 12 is **20th March**.
 About 10 clock hours can be accumulated between Dec 11 & Mar 12
 It is anticipated that the required 25 clock hours for acceptance can be gained if a participant attends the future sessions envisaged aligned to the CMPIS by August 12.

Full programme details are available approximately one month prior to each Focus Group and CMPIS aligned seminars & sessions.

Email the CMP Network to be placed on the mailing list to receive each programme.

In the meantime diarise the scheduled dates.

====

CMP is neither an academic curriculum, training course or theoretical audit application
 - CMP is a comprehensive programme which stringently tests an individual's knowledge & experience within every sector of applied meeting / event management -

The mark "Certified Meeting Professional®" is licensed under authority of the Convention Industry Council
