

## 2011 CMP Application Sessions Commence

---

Two hour explanation sessions on the requirements for being accepted as a CMP candidate start in Johannesburg this week.

Consisting of background details on CMP together with the benefits and application process it is likely that more prominent industry players will apply to be accepted as a CMP candidate.

Besides the possible January 2011 exam, two further exams are scheduled in May in Johannesburg as well as alongside IMEX in Frankfurt Germany and July 2011 in Johannesburg.

*“Many prominent South African exhibitors at IMEX may decide to be seated for their exam just before the exhibition starts” commented a CMP Advisory Board spokesperson ‘a further opportunity to be truly international in the true sense of the word’.*

With the possible roll-out of application sessions in both Cape Town and Durban it is likely that if sufficient candidates wish to be seated in 2011 – further South African exam sites will be listed on the international calendar.

Anyone in the meetings management industry with a minimum of three years experience plus at least 25 clock hours of continuing professional development can apply to be accepted as a CMP candidate.

Email the CMP Network [info@cmpnetworksa.co.za](mailto:info@cmpnetworksa.co.za) and request the next application dates in your area.
